

CAREHOMES

CARING FOR YOUR CUSTOMERS

PALATINEBEDS has manufactured high quality contract mattresses for generations. A tradition of craftsmanship is complemented by modern, state of the art technology in our Newcastle based factory.

EXTENSIVE RANGE OF SPECIALIST CARE HOME MATTRESSES

We manufacture a wide range of specialist care home mattresses and bases for clients across the UK. Our mattresses and bases are available in all sizes and conform to BS7177 Ignition Source 5 for medium contract use.

DELAVAL

Open coil hard wearing mattress with side wall supports, full wire frame, generous fillings and hand tufted cotton cover.

LINDISFARNE

Fully breathable, anti-static and antibacterial water resistant mattress with generous layers of fillings.

RAMSIDE

Open coil sprung mattress, generous layers of high quality fillings, contract fabric cover and traditionally hand tufted.

WESTGATE

Open coil sprung mattress, generous layers of high quality fillings, 100% cotton quilted cover and wire edge supports.

We offer three care home base options - legged divan, deep divan and drawer divan. We also have water resistance options available on some of our mattresses. Because all **PALATINEBEDS**' bases are constructed by hand you can choose from one of four covers:

- PVC - fully water resistant
- Nautilus blue - fully breathable, anti-static, antibacterial and water resistant
- Stitchbond - basic contract fabric
- 100% pure cotton

PALATINEBEDS

DELIVERING A QUALITY SERVICE

Since 2008 **PALATINEBEDS** has been manufacturing water resistant care home mattresses and bases for Vision Support Services. They are one of the UK's leading soft-furnishing and furniture suppliers into the health care sector.

*“**PALATINEBEDS** has been our supplier of care home mattresses for over 4 years. They offer a market-leading range of products at a competitive price. We have an excellent relationship with the team, they have become an extension of our business providing a flexible and tailored approach to meet our requirements.”*

“The Lindisfarne mattress is ideal for our care home customers, not only is it water resistant, it is fully breathable, anti-static and antibacterial. We order the leg base which is an ideal height for residents especially if a hoist is required and comes complete with castors, making it easy to manoeuvre for cleaning.”

Julie Cawood, Vision Support Services

PALATINEBEDS is committed to delivering a flexible and responsive service for all of our customers. We are proud of our rich heritage and we can guarantee that our mattresses and bases are comfortable, durable and competitively priced.
